History of Saint Louis Catholic Church

The French immigrants coming to Allen County in the 1840's and 1850's called one of their settlements Nouveau Gaul or Nouvelle France = New France. New France today is called Besancon after the principal city in the region from whence most of these immigrants came. This is the Franche Comté region in Eastern France and comprises Department du Doubs, Departement Haute Saone and Departement Vosges. Across the frontier of Doubs is the French speaking section of Canton Berne, now called Canton Jura. Some of the settlers, particularly the Voirol, Evard, and Beuret families came from this area.

The Reverend A. Bessonies served these settlers by saying mass at the log house of Joseph Dodane. He attended, as did other priests until 1870 from Saint Augustine parish, later called (after 1857) Cathedral of the Immaculate Conception. On January 14, 1851, Gideon Dickerson donated four acres of land to Bishop de St. Palais, and at once a little church was constructed under the patronage of Saint Louis. Father Bessonies' labors came to an end when the Fort Wayne diocese was established in 1857.

Father Julian Benoit, pastor of the new Cathedral, continued to serve these Frenchmen here at St. Louis and at St. Vincent de Paul at Academie until 1864.

In that year, Father Louis Grevin was assigned as the first resident priest, but his stay was short-lived as can be seen in the records that we are indexing here beginning in 1865. Earlier records will be found at the Cathedral, Saint Vincent de Paul, and even at Saint Mary's Church, reflecting the many priests who journeyed out to Jefferson Township to administer to the Saint Louis parishioners.

There was no really permanent pastor until January 1870, but separate record books were kept from 1865. The following are the priests and pastors mentioned in these records:

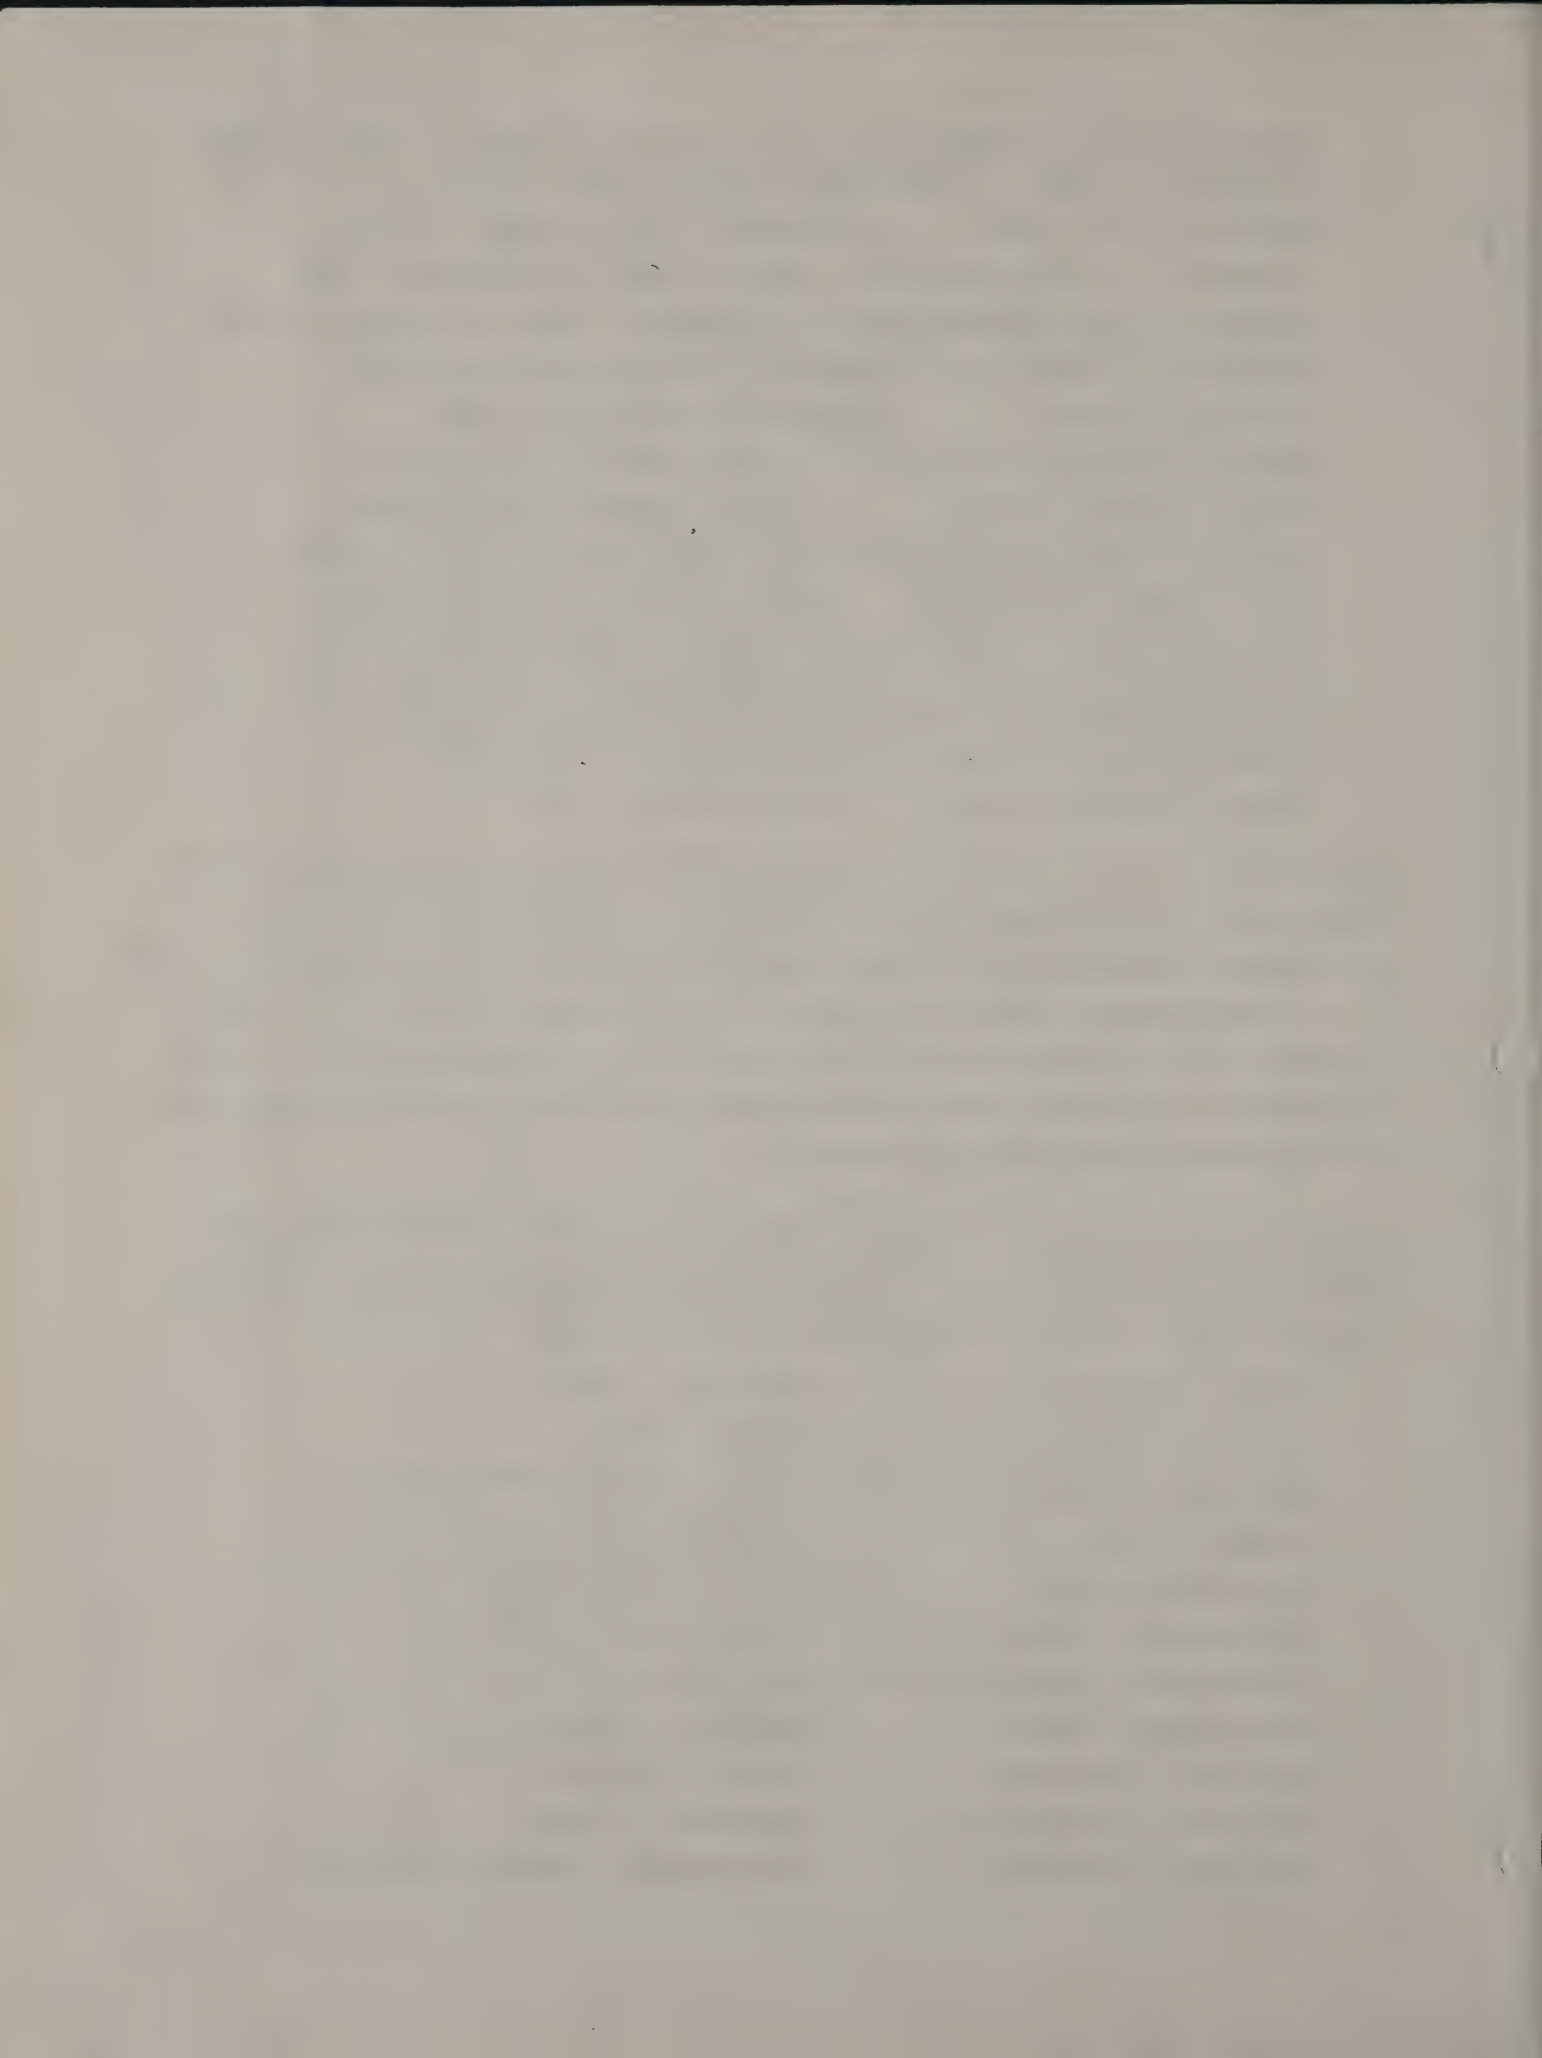

Father J. C. Carrier, C.S.C. February 1865 to August 1866
 Father A. Adam assisting during this period
 Father F. M. Ruiz November 1866 to April 1867
 Father A. De Montaubricq April 1867 to December 1867
 Father A.J.M. Vandevennet December 1867 to October 1868
 Father A. Mignault November 1868 to January 1870
 Father A. Adam January 1870 to July 1875
 Father W. Demers, C.S.C. July 1875 to July 1876
 Father Const. Maujay July 1876 to April 1879
 Father Felix Veniard, C.S.C. July 1880 to April 1893
 Father Wm. J. Quinlan August 1893 to December 1893
 Father Chas. B. Guendling January 1894 to June 1894
 Father Francis X. Labonté June 1894 to February 1902
 Father John F. Noll June 1902 to July 1906
 Father Charles Dhé July 1906 to 1908

The above are the priests who attended the parish and from 1870 who lived in residence at the parish. Other names who were obviously assisting are Augustin Bohn (1902), Joseph Bronner (1894) F. J. Dandurant (1898 and 1902), F. J. Freund (1875) L. H. Huot (1901), A. E. Lafontaine (1897 and 1902). In preparing the index we did not include the priests since the above list will provide the probable attending minister.

The parish of Saint Louis de Besançon is still flourishing and most of the parishioners today are descendants of the following members who signed a membership list in 1868.

Gerardot - Girardot

In the above listing you will find only Girardot as the spelling for what is really two distinct families. One of the difficulties in preparing this index is the fact that these names are completely interchanged in spelling as GE - and GI- throughout the period covered. Whether these are straightened out now, I do not know. I am sure that those who bear these names could tell us which is the proper spelling. Since we spent a lot of time working through these names, employing whatever help we could get, particularly from Alfred Rondot, a specialist in French families in Allen County, it seems only right that we give you the end result of our research.

We did try to establish the town of origin for these two families without success. We are fairly certain that Joseph Girardot came from Villersexel, Haute Saone, France. One of his daughters married

August Lanternier. At a wedding of one of the Lanternier children one of the witnesses was Alphonse Girardot who is designated as a "cousin". This Alphonse was definitely from Villersexel, Haute Saone. There are other families that may or may not be related and we will not speculate any further about this. Here are the two families at Saint Louis Church:

The descendants of Alexis Gerardot are many and all of them today spell the name GE. I presume their ancestors did also, but it was not conveyed to the priests attending Saint Louis until after 1900. We have been in correspondence with the Mormon Library in Salt Lake City in our effort to clarify these names. No answer was given to our inquiry. We have also seen the records at Saint John Church in Canton, Ohio and the name was spelled GE-.

The next family of Girardot is that of Joseph who appears first in the records in Allen County. He has a long progeny also.

We would appreciate additional information about descendants of these two families, and we would be willing to share information that we have gathered in trying to unravel these families for this index.

Language of the Registers is Latin

All Catholic Church records for the period of this index are in Latin. This presented some difficulty for the three persons who copied these records as well as the compiler, Mrs. Bloomfield. I offered assistance in interpretation of the inflections of the names that got copied in their various case endings. It would take a good grounding in Latin to adequately translate Catholic Church records. These records tended to be transcribed rather than translated. Mrs. Bloomfield did not feel qualified to tamper with the records.

In preparing this index there was no problem to provide the correct English equivalent to the latin forenames. It is no difficulty at all with the last names. However it becomes quite clear that the priests at Saint Louis Church did not always spell the last names correctly. It is sometimes difficult to determine the correct name the first time, but as the name reoccurs the translator has options. If these can be compared with other records, particularly with families now living, the appropriate and generally correct name can be given. I let the records correct themselves. I do not index obvious errors. Where the option is there because of inversion of forenames, e.g. Francois Joseph or Joseph Francois, I take frequency into account, but one can never know for sure until the name has been checked with other records. These we can leave to the family genealogist. It would have helped to know the persons in life.

This index is in French. I thought that it would fascinate the present generation and later generations of users to see the probable way that their forebears wrote their names. Since the original is in Latin, translating into French is just as acceptable as translating into English. The records do not tell us how the individual actually spelled or said his name -- they did not speak Latin. But they did speak French, and the documents they brought with them from France spelled their names much like you will find them in this index.

I can just hear someone say "that's not grandpa's name, they called him Frank or Jesse or Ed, etc." Perhaps I should provide a list of French and English equivalents of these names, but I should leave something for the family researcher to do.

Whatever the complaints about tampering with grandpa's name, I believe all users will have to agree that having all the records of birth, marriage and death in one entry, plus some guides to other sources of records, is just about as useful a tool as they have ever used. I dedicate this book to their forebears and offer this useful tool as an act of love for my own relatives among the persons in this index.

RECORDS
SAINT LOUIS DE BESANCON
1865 - 1907

NOTICE TO THE READERS

This an all name index based on the records copied by Gladys Lomont, Mildred Perl Van Horn, and Margaret Hahn, Compiled and Indexed by Virginia (Jordan) Bloomfield, titled: Records of St. Louis Catholic Church, Besancon, Indiana, 1865-1907, herein referred to as Records. This was published by Fort Wayne Public Library in 1980.

WARNING: this is not a primary source, it is an index. The primary source are the Registers of Baptism, Marriage and Death, maintained at the parish of Saint Louis, R.R.2, New Haven, Indiana 46774.

The original records are in Latin. Records attempts to translate the record into English. This present index translates the record into French, since this is how the priests would have written them, if Latin had not been required.

Charles Banet, C.P.P.S.

SYMBOLS AND ABBREVIATIONS IN THIS INDEX

Symbols

- * = birth date. Most of the baptismal records show the date of birth and we have preferred this for genealogical use of this index. When there is a significant lapse of time between birth and baptism, we have provided both dates so that the record can be found in the parish books.
- (*) = illegitimate birth
- (X) = baptismal date, which is provided to help find the record in the parish books which are all kept chronologically.
- oo = marriage symbol (the intertwining circles) for legitimate marriage. The accompanying date is the date the ceremony was performed at the Church. This is sometimes different from the Civil Record which is often the date on which the license was issued.
- + = date of death. Burial dates are not recorded. Burial is usually within three days. Obituaries can be consulted for this precise information. See indexes of Fort Wayne Newspapers.
- + = when associated with marriage records, I have used this + to indicate a relationship between the spouses and the persons named. The first line are the parents of the groom, and the second line the parents of the bride.

Abbreviations

- T = abbreviation of latin word "testes" which means "witness" the name following T: is the official witness at a wedding. The slash "/" separates the two witnesses. Sometimes there is a witness at burial or in a private baptism.
- Sp = Sponsor at baptism, that is, godparents
- ca = circa, about. E.g. *cal814 means born about 1814

Towns of origin or place of marriage are underlined when these are shown. Unless a town is cited, the birth, marriage or death took place in Besancon area, and recorded at Saint Louis.

Date Sequence

This index follows this sequence:

MONTH / DAY / YEAR

Thus: 12/8/1872 means December 8, 1872 not August 12

Other items

We have supplied information from other sources and this is indicated by the use of brackets []

Parenthesis is information provided to clarify what is shown.

References to Records cites the page on which the entry is made and the column is A (first) or B (second) e.g. *12A means page 12 column one in Records. The asterisk implies these are * baptismal records.

Since this is an "all name" index, we will cite all the sponsorships at baptisms with a reference to Records as well as the witnessing at a wedding. This brings together family relationships. There is no way to distinguish persons with the same name in these citations.

September 29, 1905, and baptized around that date. His parents

used for the wife of Nicolas Auer, and we were unable to determine
the correct spelling.) In Records this is found on page 1, column
one. And will also be found in the original record in the Baptismal
Registers at Saint Louis Church at September 29, 1905.

BACON, Anne

Anne Bacon also appears as a witness (T:) at the wedding of
Jules Monnot on April 8, 1890. Records p. 111, column one, has
this reference. It will also be found in the official records
at the parish of Saint Louis at the date April 8, 1890 in the
Marriage Registers.

Warning:

We emphasize again that this is an Index and is not a substitute
for the original record. We would appreciate hearing from users
who find errors, or who can provide background information on these
families for my own personal files.

RECORDS
SAINT LOUIS DE BESANCON
1865 - 1907

NOTICE TO THE READERS

This an all name index based on the records copied by Gladys Lomont, Mildred Perl Van Horn, and Margaret Hahn, Compiled and Indexed by Virginia (Jordan) Bloomfield, titled: Records of St. Louis Catholic Church, Besancon, Indiana, 1865-1907, herein referred to as Records. This was published by Fort Wayne Public Library in 1980.

WARNING: this is not a primary source, it is an index. The primary source are the Registers of Baptism, Marriage and Death, maintained at the parish of Saint Louis, R.R.2, New Haven, Indiana 46774.

The original records are in Latin. Records attempts to translate the record into English. This present index translates the record into French, since this is how the priests would have written them, if Latin had not been required.

Charles Banet, C.PP.S.

SYMBOLS AND ABBREVIATIONS IN THIS INDEX

Symbols

- * = birth date. Most of the baptismal records show the date of birth and we have preferred this for genealogical use of this index. When there is a significant lapse of time between birth and baptism, we have provided both dates so that the record can be found in the parish books.
- (*) = illegitimate birth
- (X) = baptismal date, which is provided to help find the record in the parish books which are all kept chronologically.
- oo = marriage symbol (the intertwining circles) for legitimate marriage. The accompanying date is the date the ceremony was performed at the Church. This is sometimes different from the Civil Record which is often the date on which the license was issued.
- + = date of death. Burial dates are not recorded. Burial is usually within three days. Obituaries can be consulted for this precise information. See indexes of Fort Wayne Newspapers.
- + = when associated with marriage records, I have used this + to indicate a relationship between the spouses and the persons named. The first line are the parents of the groom, and the second line the parents of the bride.

Abbreviations

- T = abbreviation of latin word "testes" which means "witness" the name following T: is the official witness at a wedding. The slash "/" separates the two witnesses. Sometimes there is a witness at burial or in a private baptism.
- Sp = Sponsor at baptism, that is, godparents
- ca = circa, about. E.g. *cal814 means born about 1814

Towns of origin or place of marriage are underlined when these are shown. Unless a town is cited, the birth, marriage or death took place in Besancon area, and recorded at Saint Louis.

Date Sequence

This index follows this sequence:

MONTH / DAY / YEAR

Thus: 12/8/1872 means December 8, 1872 not August 12

Other items

We have supplied information from other sources and this is indicated by the use of brackets []

Parenthesis is information provided to clarify what is shown.

References to Records cites the page on which the entry is made and the column is A (first) or B (second) e.g. *12A means page 12 column one in Records. The asterisk implies these are * baptismal records.

Since this is an "all name" index, we will cite all the sponsorships at baptisms with a reference to Records as well as the witnessing at a wedding. This brings together family relationships. There is no way to distinguish persons with the same name in these citations.

Examples

At the parish the baptismal records is found in the Baptismal Register at November 2, 1884, and the Marriage Reister at November 4, 1884.

Examples (continued)

AUER, Nicolas oo Besancon 1/11/1899 Victorine Triley (Treulet) 98A
+Nicolas Auer oo Elisabeth Keller
+Francois Triley oo Francoise DeVeaux
T:Louis Maldeney, Marthe Maldeney

Nicholas Auer married Victorine Triley on January 11, 1899. Nicholas' parents were Nicolas Auer and Elisabeth Keller. Victorine's parents were Francois Triley and Francoise DeVeaux. Official witnesses to this marriage were Louis Maldeney and Marthe Maldeney. The citation is found on page 98, column one, in Records, and the original record is in the Marriage Registers at Saint Louis Church at the date, January 11, 1899.

AUER, Nicolas oo Victorine Treulet *1A
*9/29/1905 August Jerome Sp. August Chevillot / Em. Chevillot
oo Carson City, St Therese 5/1/1964 Evelyn Tewel

This is a baptismal record for August Jerome Auer. He was born September 29, 1905, and baptized around that date. His parents were Nicolas Auer and Victorine Treulet. (Note that the marriage record above cites "Triley (Treulet)" which means both names are used for the wife of Nicolas Auer, and we were unable to determine the correct spelling.) In Records this is found on page 1, column one. And will also be found in the original record in the Baptismal Registers at Saint Louis Church at September 29, 1905.

BACON, Anne
*58A Sp. (X) 8/11/1885 Isaac McCormick
T: 111A oo 4/8/1890 Jules Monnot

Anne Bacon appears in the records as a Sponsor (Sp) on page 58, column 1, and in the Baptismal Register (X) at August 11, 1885. The parent of the baptised child was Isaac McCormick, and further information is in this index under that name. Anne Bacon also appears as a witness (T:) at the wedding of Jules Monnot on April 8, 1890. Records p. 111, column one, has this reference. It will also be found in the official records at the parish of Saint Louis at the date April 8, 1890 in the Marriage Registers.

Warning:

We emphasize again that this is an Index and is not a substitute for the original record. We would appreciate hearing from users who find errors, or who can provide background information on these families for my own personal files.
